Give each child a Palm Branch Craft Printable. Spread out the green scrapbook squares and glue sticks, and help children glue the green squares onto the lines on the printable to make a palm leaf.

Tie it in:

As children work, say: When Jesus rode into Jerusalem on a donkey, people waved palm branches like these to celebrate him and cheer for him. People shouted "Hosanna!" and made the parade special for Jesus. "Hosanna" means "save us." (Randomly invite the children to shout "Hosanna!" as they make their palm leaves)

HOSANNA! HOSANNA IN THE HIGHEST!
