## Easter Bingo

What you will need:

- Jellybeans, pennies, pieces of paper or anything to mark your spot.
- Print out the score cards for each player that wants to play.
- Print and cut the Easter cards provided.

Instructions:

- There can be any number of players.
- Get a hat, basket or box and put the Easter cards in there to shuffle them and then take turns picking them out (without looking!)
- Each player gets a scorecard and enough beans (or whatever you may have found) to cover their spots.
- Place a bean on your scorecard if you have the image being called out.
- Continue playing until someone gets four in a row in any direction.
- Winner gets a high five!
