

Hi Orchard Kids-

To spread kindness throughout our community, you can write a letter to someone living in an assisted living home. Here is a template that you can print out for your letter or simply use supplies of your own. In your letter, you can include your favorite bible verse, draw a picture or share things that bring you cheer!

When your letter is complete, place it inside of an envelope along with a stamp and drop it off at Pastor Dan's house, there will be a box at his front door. If you are unable to drop the letter at Pastor Dan's house, please contact Anna through email: [Anna@orchardcc.org](mailto:Anna@orchardcc.org) or text her at 760-300-8640.

Thank you!

# We Are Thinking About You

A special note from a friend from Orchard  
Community Church in Escondido
