Craft and Activities

Today's Bread

- Invite kids to ask for plates before you distribute them. Lead kids to determine what they need next and ask for that, working through each of the following supplies:
- Spread butter on the bread
- To make the bread more colorful, your child can decorate the slice of bread with sprinkles.
- When we were making these beautiful snacks, we asked for all the things we needed. We can ask God for the things we need, too. We can ask him for food, or we can ask for help when we're scared. We can ask God for anything we need because asking for help is part of prayer.

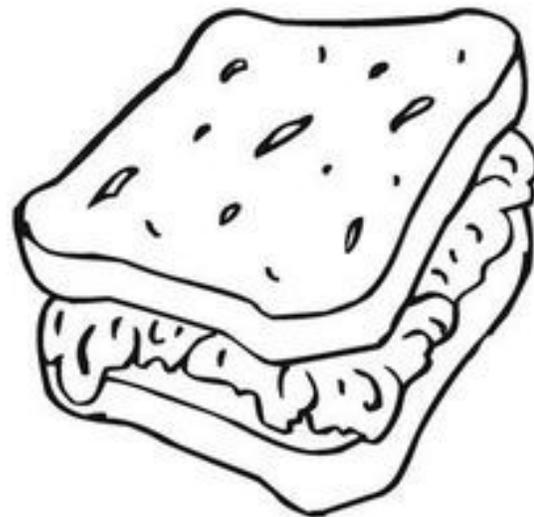

The Lord's Prayer

Our Father, in Heaven,
Hallowed be your name.

Your Kingdom come, your will
be done, on Earth as it is in
heaven.

Give us today our daily bread
And forgive our sins
